Dear Mike,

During the Memphis In May International Festival, it is our goal to produce an exciting event that only gets better with time. One way that we do this is by selecting vendors with a reputation for quality products and quality service. On behalf of myself and the Memphis In May staff, let me express a heartfelt thank you for your participation in the 2002 Memphis In May International Festival. Your services helped to provide the Memphis community with an international experience unlike any other!

I appreciate your business and look forward to working with you in the future. Please do not hesitate to contact me if I can be of service to you in any way.

Best regards,

Lyle Centola
