To Whom It May Concern:

Please allow this letter to serve as a personal recommendation for the outstanding quality of work represented by Allstar Audio Services. Mr. Mike Borne, the owner of Allstar, provided us with competent, reliable customer advice and serviced our account in a most professional manner.

Mid-South Fair contracted the services of Allstar Audio for the purpose of providing sound for the 1988 Mid-South Fair Main Stage, Coliseum Rodeo Events, and our Youth Talent International Contest. Our Main Stage and Coliseum Rodeo Events featured headline entertainment. All events were handled professionally as well as promptly and Allstar Audio contributed greatly to the success of the 1988 Mid-South Fair; so much so that we have contracted their services for our 1989 Fair.

We highly recommend Mr. Mike Borne and Allstar Audio Services as they have the motivation and integrity to get the job done in the most professional way possible.

Sincerely,

A handwritten signature in dark ink, appearing to read "Jon Anderson", with a long, sweeping underline that extends to the right.
