Dear Mike:

Thanks for being such an important part of the record-breaking 134th edition of the Mid-South Fair.

The nearly half million visitors found a new look at the 1990 Mid-South Fair and many of them are still talking about the diversity of the entertainment, as well as the exciting video and laser embellishments.

I particularly appreciate your ability to become a part of our team while continuing to work independently bringing us your special brand of professionalism.

Warm regards,

Melinda Grable
