Dear Ms. Ladd:

It's with great pleasure that I write this letter of recommendation for Allstar Audio.

Working with Allstar Audio in the past has been a very pleasant and professional experience. Allstar's team upheld a very high, professional standard that we strive for and request from all our vendors. We were also very pleased to find all gear in top notch condition and of professional quality. And most importantly, Allstar's service standard and performance receives high marks. Their team was willing to go the extra mile, above and beyond our expectations.

As a result of our working experience with Allstar Audio, I would highly recommend their services to your company.

Sincerely,

*David Kenyon
