Dear Mike:

Thanks for a great job for our June 4th concert. As usual you and your crew were great to work with and your production of sound and lighting was very good.

I'm already looking forward to working with you next year. Hope that you'll be able to fit us in.

By the way, I gave you two "country" CDs to use that night and I failed to get them after the show. Please send them to me...we need them for air play.

Again, thanks for a great job.

Best regards,
